## Become a Friend of Macquarie Home Stay

The Friends of Macquarie Home Stay (FoMHS) is a network of people and communities right across central and western NSW that come together to support and help Macquarie Home Stay whenever, and however they can.

Register your business, club or yourself (or all 3!) to do any number of things that we need help with. "FoMHS" don't have to live in Dubbo, they are our network of supporters right across regional NSW who can do what is needed in each community.

There are many and various ways to get behind Macquarie Home Stay and we'd love for you to get involved. Complete the short survey, tell us how you would like to help and we will be in touch when opportunities arise.

If you have any new or fresh ideas for fundraising activities to assist Macquarie Home Stay from an individual, group or business perspective, please make contact with us, we would be glad to discuss your thoughts.

Thank you to all our generous donors of auction items and raffles for today's FoMHS Long Lunch. And a special thanks to Lazy River Estate for their generous donation of the venue hire, cocktail furniture and assistance for this event.

Thank you to all our guests attending the FoMHS long lunch today, we hope you enjoy your day with friends.
